

The Atelier wine program is rooted in a celebration of the sea's purity and the thrill of the extraordinary, defined by two complementary currents: a dedication to perfect seafood pairing and an appreciation for the world's most sought-after, uncompromising red and white wines. The core maritime focus is a curated celebration of white wines chosen to harmonize with our seafood-centric menu, emphasizing coastal terroirs for their inherent salinity and freshness, precision and acidity. Complementary to this is a small, carefully sourced selection of red wine. This collection serves as a destination in its own right, selected for their rarity, acclaim, and legacy, offering depth, luxury, and a focal point for both everyday and celebratory drinking.
